

## SUCCESS STORY

**Ms. Humaira Mallah**

Ms. Humaira Mallah resident of Shaheed Benazir Abad (Nawabshah) was facing barriers before having no wheel chair. She was stuck at home & confined in a room. She did receive her education by crawling. As she received wheel chair from NDF under collaboration of STEP & Walkabout Foundation USA, she felt comfort in her mobility. She can move herself from here to there; she can go to school, college & NDF vocational Center to learn about stitching & Tailoring with dignified access. She is now teacher in same center. She can move to wash room, kitchen & other rooms with full mobility. She is feeling well by having a wheel chair. Her life is changed; she is mainstreamed in the society. She can attend meetings, seminars because of the gift of wheel chair.
